Model	Dimensions (in)		
	A	B	C
ER-7435M	34	71	69

Additional Features

- Included is bottom depository locker with KLD combination lock
- The ER Series TL-15 Mule safes allow for multiple interior options providing "custom interiors" by mixing and matching with the Bridgeman AXL Lockers Series. (See example configurations above)
- All components are part of our "In-stock" Quickship Program.
- All safes are designed with adjustable hinges that not only offer adjustable hinge pins, but the hinge block on the door is bolted, not welded, offering endless adjustment on the door.

A two movement time lock, alarm package, and various electronic locks are available as options.

All specifications subject to change without notice.
